

Welcome To OM Brass Manufacturers

All kinds of precision turned components are manufactured and supplied exactly as per customer specifications

**We're Servicing A
Global Clients In More
Than 30+ Countries**

Om Brass Manufacturers

OM BRASS MANUFACTURERS is a leading manufacturers & Exporters of Brass Male & Female Inserts for CPVC / UPVC & PPR Pipe Fittings & Accessories.

Also we are manufacturers & exporting Precision Brass Turned and Pressed components as per customer's drawings and samples specifications. We are located in Western India, Jamnagar city which is well known place as Brass Capital of India.

OM Brass Manufacturers having
ISO 9001:2015 Certified Company

Industry Outlook

Top 10 Brass Components Manufacturers 2022 by Industry Outlook

Providing High grade Brass Components for CPVC & PPR Pipe Fittings

Industries Served

Pipe Fittings

Engineering

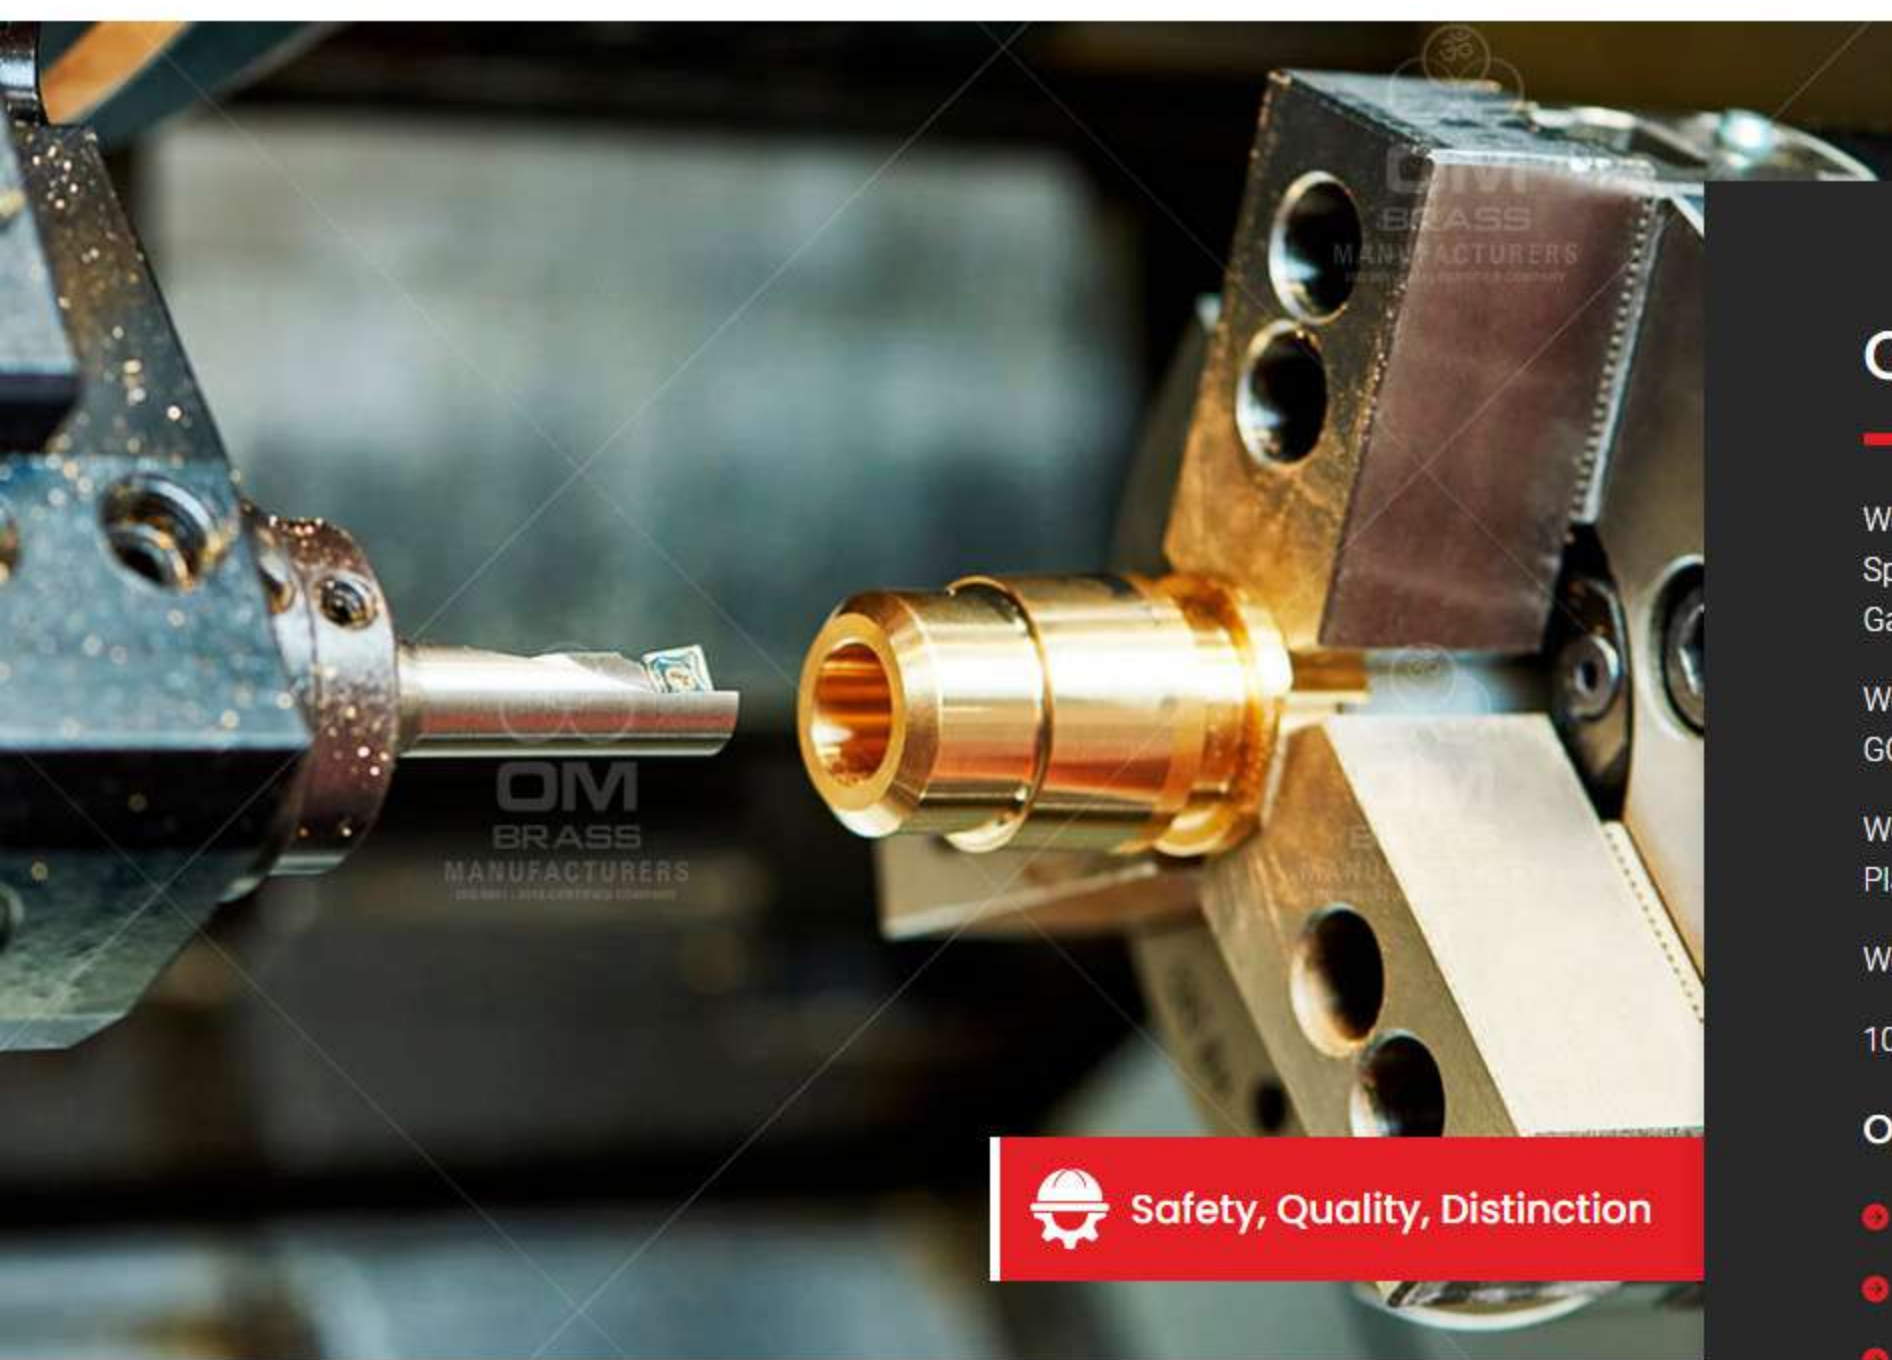

Railway

Electricals

Pumps Parts

Safety, Quality, Distinction

Quality Assurance

We have in-house quality control room and all type of machines such as Spectrometer, Projector and instruments like Micro Meter, Vernier and Dial Gauge etc.

We have all type of Ring Gauge and Plug Gauge for checking Threads "GO-NOT-GO GAUGE".

We have own facilities for Nickel Plating, Zinc Plating, Brass Plating, TIN Plating.

We keep up-to-date record of quality standard.

100% visual inspection to ensure 100% visual defect free products.

Our Mision

- No Compromise With Quality
- Gauranteed Quality Of Products
- Customer's Satisfaction
- Compattative Price
- Ready Stock For Regular Buyers

Our Products

We Produce various type of Brass Male and Female Inserts for CPVC-PPR Pipe Fittings.

About Us

About Om Brass Manufacturers

In operation since 1990, we are now expert in this industry with the focus, efforts and experience of all our associates help cater Om Brass Manufacturers best quality products and optimal services to valued customers around the globe.

Om Brass Manufacturers was incepted in year 1990 as a sole proprietorship company manufacturing only one range of products and with a vision to become one of the largest manufacturer & exporter of almost entire gamut of brass precision components & brass fasteners.

With its continuous & relentless efforts, hard work and aspiration, Om Brass Manufacturers have grown leaps and bounds with over 10 different range of products being manufactured as on today.

What We Do

We have 30+ years of experiences for give you better results. Manufacturing and Exporting any type of Brass Turning / Forging and Sheet Cutting Components as per customer's drawings and samples specifications. Since more than 50 years, we compete us to stay contemporary by systemizing advance technologies & arranging learning opportunities for all employees by Training Policy followed by health & environmental policies.

Our Mission

To provide the best export Solution for the customer's specific requirement which builds long standing commercial business relationships built on mutual trust and understanding.

our Vission

Our vision has always been to expand our performance and achieve perfection in manufacturing. Flaw-less production, timely delivery & competitive best pricing are the motto of our organization.

Quality Policy

Working as a team and the involvement of staff in the continual quality improvement process ensures that company's goal for Quality.

Profile

Company Profile

Company Name	Om Brass Manufacturers
Business Type	Manufacturer Exporter
Group Establishment	1990
CEO	Paresh Parmar
Location	Shreeji Krupa, 5, Oswal Colony, Club Road, Jamnagar - 361 005, india.
Factory	Shreeji Krupa, 5, Oswal Colony, Club Road, Jamnagar - 361 005, india.
Legal Status	Partnership
Present Business Scope	Manufacturing Exports of Copper Alloy based Brass Engineering Turned parts
Quality Accreditation	ISO 9001:2015
Specialization	Precision Turned Machined Components Exclusively in Brass Other related Copper Alloys
Industries Served	Pipe Fittings Engineering Railway Electricals Pumps Parts Aerospace
Exporting Countries	Italy, France, Spain, Sweden, Singapore, Middle East, UK, USA Primary Competitive
Advantage	Premium Quality Sound infrastructure facility Competitive pricing Provide Customized Solution On time delivery
Build-Up Work Space	50,000 Square Feet
Membership	Engineering Export Promotion Council of India (EEPC) Jamnagar factory owners Association Federation of Indian Export Organisations(FIEO)

Brass Anchor

Quality Attributes Of Brass Anchor

Material : Free Cutting Brass Extruded Quality

Design : Knurling available in Diamond, Cross, Straight

Future : Threading as per International standard(Go – Not Go), High Mechanical Strength,

Thread : ISO Metric Threads(MM Size), UNC – UNF Thread, BA Thread, Inches Thread

Application : Hardware, Plastic Injection Molded Parts, Automobile

Quality Assurance

Quality Management

Our target is to provide zero defects products to client which is remarkable in industry. To meet the global demand we take care at every stage right from raw material purchase to finished goods. Our quality assurance team is trained and well experienced. To achieve the maximum standard our quality control team continuously monitors the products and user requirement right from the production stage up to the final dispatch. Due to strict quality control procedures our customers are ensured that their requirements are met accurately and consistency each & every piece is inspected under strict quality control manuals.

Key Points To Our Quality Control

- Quality Planning
- Test Equipments
- Trainings
- In-Process & Inter-Process Inspections
- Equipment Calibration & Maintenance
- Up-to-date records of quality standards
- Dedicated Design & Development Department
- Design & Development as per Custom Specification
- 100% Visual Inspection to ensure 100% visual defect free products
